

Aung

Judy L. Hasday

The Lady and the Peacock Peter Popham, 2011 Peter Popham's major new biography of Aung San Suu Kyi draws upon previously untapped testimony and fresh revelations to tell the story of a woman whose bravery and determination have captivated people around the globe. Celebrated today as one of the world's greatest exponents of non-violent political defiance since Mahatma Gandhi, she was awarded the Nobel Peace Prize only four years after her first experience of politics. In April 1988, Suu Kyi returned from Britain to Burma to nurse her sick mother but, within six months, found herself the unchallenged leader of the largest popular revolt in the history of Burma. When the party she co-founded won a landslide victory in Burma's first free elections for thirty years, she was already under house arrest and barred from taking office by the military junta. Since then, 'The Lady' has set about transforming her country ethically as well as politically, displaying dazzling courage in the process. Under house arrest for 15 of the previous 20 years, she has come close to being killed by her political enemies and her commitment to peaceful revolution has come at extreme personal cost. In November 2010, after fraudulent elections in which she played no part, Suu Kyi was again freed. She was greeted by ecstatic crowds but only time will tell what role this remarkable woman will have in the future of her country.

Aung San Suu Kyi Judy L. Hasday, 2013 When a military junta took power in Myanmar (then called Burma) in 1988, Aung San Suu Kyi.

The Political Legacy of Aung San Josef Silverstein, 2018-05-31 This work compiles selected speeches, letters, and statements by the father of Burmese independence, Aung San. The editor's introduction offers an overview of this remarkable man's life, thought, and achievements. The documents included here provide insight into the politics of Aung San—an eminently pragmatic leader focused on attaining both national unity and social harmony—through his own words.

Perfect Hostage Justin Wintle, 2008-03-18 Burma is a country where, as one senior UN official puts it, just to turn your head can mean imprisonment or death. Aung San Suu Kyi is considered to be Burma's best hope for freedom, and, because of her unwavering commitment to nonviolent resistance to the country's brutal military junta, she has been under house arrest since 1989. Elected Prime Minister, she was prevented from taking office, but despite failing health, vilification at the hands of the Burmese media, and actual imprisonment in one of the world's most appalling jails, Suu Kyi has persevered in a campaign of nonviolent protest as unflagging as those of Gandhi, King, and Mandela, which earned her the Nobel Peace Prize

in 1991. In Perfect Hostage, the most thorough biography of Suu Kyi to date, Justin Wintle tells both the story of the Burmese people and the story of an ordinary person who became a hero. She's my hero.—Bono In physical stature she is petite and elegant, but in moral stature she is a giant.—Archbishop Desmond Tutu, 1984 Nobel Peace Prize Recipient It is time for all respectable members of the international community to put weight behind their words and take active measures to secure the freedom of Aung San Suu Kyi and the Burmese people.—Senator John McCain

A History of Myanmar since Ancient Times Michael Aung-Thwin, Maitrii Aung-Thwin, 2013-10-15 In A History of Myanmar since Ancient Times, Michael Aung-Thwin and Maitrii Aung-Thwin take us from the sacred stupas of the plains of Pagan to grand, colonial-era British mansions, revealing the storied past and rich culture of this country. The book traces the traditions and transformations of Myanmar's communities over nearly three millennia, from the relics of its Neolithic civilization to the splendors of its pre-colonial kingdoms, its encounters with British colonialism and the struggles for the republic that followed the end of World War II. The authors also consider the complexities of present-day life in Myanmar and examine the key political events and debates of the last twenty-five years that have brought the world's attention to the country. By exploring current developments within the broader patterns of Myanmar's history, culture and society, they provide a nuanced perspective on the issues and questions surrounding Myanmar's future. This updated edition considers the changes that have taken place since the elections of 2010, the reforms that the civilian government introduced, and the ramifications of the country's new international status. It also assesses the implications of the 2012 by-elections, the ensuing political dynamics among various stakeholders, and the continuing socio-economic challenges facing Myanmar in the twenty-first century. The most comprehensive history of Myanmar ever published in the English language, this book makes a significant contribution to our understanding of Southeast Asian history and will surprise, challenge, and inform in equal measure.

The Voice of Hope Aung San Suu Kyi, Alan Clements, 2008 Aung San Suu Kyi has suffered constant harassment and abuse from the Burmese authorities, long separation from her family and six years of house arrest. In these 12 interviews, she talks about her passion for justice and the sacrifices she has had to make. One of the very few people she has trusted enough to take her message to the wider world is Alan Clements. The Voice of Hope is the result of the secret and dangerous meetings they had over several years, and offers unquestionably the most wide-ranging collection of her views on the political situation inside Burma, her non-violent approach to democracy and human rights, her Buddhist beliefs, her family, and how she keeps a sense of meaning and purpose under the most appalling conditions. Brand new material includes an inspiring discussion with U-Gambira, the leader of the All-Burma Monks Alliance, conducted after the 2007 uprising (he has since 'disappeared'). There is also an updated Chronology of Events of recent Burmese history, a new introduction and a new list of Burma-related websites.

The Face of Resistance Aung Zaw, 2013-07-15 Aung San Suu Kyi is a world-renowned, inspirational symbol of Burmese resistance and courage. Released in 2010 after spending fifteen of the previous twenty-one years under house arrest, she emerged into a Burma that has finally begun to court democracy, and many are now looking to her to lead the country. But is it possible for Suu Kyi to mend the deep divisions in Burmese society? Who are the groups that make up Burma's face of resistance? What is it they are fighting for? And how can she unite these disparate factions into one cohesive group to take on the current regime in the elections scheduled for 2015? Former political activist and exile Aung Zaw explores these questions in the context of his own experiences, and sheds light on those people who have fought alongside Suu Kyi for decades in Burma's resistance movement. The book profiles key members of the National League for Democracy, examines the background of prominent activists involved in the 1988 student uprising, and focuses on the next generation of democracy leaders. From an insider's perspective, Aung Zaw demystifies the volatile state of contemporary Burmese politics and the background of Burma's current president, Thein Sein, and poses questions about the ongoing debate of international sanctions versus investment in the light of Burma's untapped natural resources. *The Face of Resistance* is a timely and succinct reminder that despite international accolades, Burma is far from free. What Others are Saying "This book indeed gives a face to the resistance against Burma's dictatorship. Brilliantly written, it should be read by everyone interested in contemporary Burma and its ongoing struggle for democracy." —Bertil Lintner

A Trial in Burma Maung Maung, 2012-12-06 Crime does not pay, and politics by assassination pays even less. That is perhaps the one sharp lesson which stands out from the trial of U Saw and his men for the murder of Bogoyoke Aung San and his colleagues. The trial is a historic one, and the murders undoubtedly altered the course of Burma's modern history. I present the judgement of the Special Tribunal in full and the story of the assassinations for the record, in the hope that they will serve historians and our peoples in Burma in several ways. Mr. Justice Mya Thein of the High Court gave me the records which he compiled of the trial while serving on the prosecution. That was a few years ago, and I have, since then, wanted to edit and publish a book of the trial. Dr. Myint Thein, Chief Justice of the Union, also gave his file of the records to the Defence Services Historical Research Institute, and I was able to check and compare the papers. To both I owe and sincerely acknowledge thanks. I am also grateful to Mr. Justice Aung Tha Gyaw of the Supreme Court who answered my questions with kindness and courtesy, and to U Kyaw Soe, Director of Information, and his staff, who dug up the pictures which are published in this book.

Aung San of Burma Aung San Suu Kyi, 1991 1st ed. 1983.

Engaging Politics in Myanmar Aung Htoo, 2020-03-31 Violence is not just physical; like everything in life, it bears spiritual implications. Thus, nonviolence offers more than just a method for resisting oppression. It offers a spiritual revolution – a way of seeking life to cultivate the reality of God's kingdom in a world where the myth of redemptive violence

is rampant. In this book, Dr Aung Htoo places Walter Wink's political theology in conversation with both Aung San Suu Kyi and the work of Martin Luther King Jr. Locating this dialogue against the political backdrop of Myanmar's history, Htoo explores the theological and political implications of nonviolence in the cultural context of the country's people groups. He draws on the shared Buddhist and Christian foundation of commitment to loving kindness to suggest a new political reality for Myanmar - one in which its citizens work together for the transformation of their shared homeland. Ultimately, Htoo challenges Christians to dethrone the spirit of domination and bear witness to the holistic gospel in every aspect of their lives. This is an excellent resource for anyone interested in theology, peace studies, or the intersection between faith and politics.

Aung San Suu Kyi Jesper Bengtsson, 2012-03-01 Features interviews with many of Aung San Suu Kyi's closest associates, as well as one with Suu Kyi herself in February 2011, just three months after her release from house arrest; Explores Burma's history as well as the personal and political struggles of its best-known human rights activist; Puts Suu Kyi's fight for democracy in an authoritarian regime in global and historical perspective

Aung San Suu Kyi William David Thomas, 2004-07-08 Explores the life and career of the Burmese political activist who won the Nobel Peace Prize in 1991.

Aung San and the Struggle for Burmese Independence Angelene Naw, 2001

Letters From Burma Aung San Suu Kyi, 2010-02-04 Letters from Burma - an unforgettable collection from the Nobel Peace prize winner Aung San Suu Kyi In these astonishing letters, Aung San Suu Kyi reaches out beyond Burma's borders to paint for her readers a vivid and poignant picture of her native land. Here she celebrates the courageous army officers, academics, actors and everyday people who have supported the National League for Democracy, often at great risk to their own lives. She reveals the impact of political decisions on the people of Burma, from the terrible cost to the children of imprisoned dissidents - allowed to see their parents for only fifteen minutes every fortnight - to the effect of inflation on the national diet and of state repression on traditions of hospitality. She also evokes the beauty of the country's seasons and scenery, customs and festivities that remain so close to her heart. Through these remarkable letters, the reader catches a glimpse of exactly what is at stake as Suu Kyi fights on for freedom in Burma, and of the love for her homeland that sustains her non-violent battle. Includes an introduction from Fergal Keane 'Aung San Suu Kyi has become a global symbol of peaceful resistance, courage and apparently endless endurance' Guardian 'A real hero in an age of phony phone-in celebrity, which hands out that title freely to the most spoiled and underqualified' Bono, Time Aung San Suu Kyi is the leader of Burma's National League for Democracy. She was placed under house arrest in Rangoon in 1989, where she remained for almost 15 of the 21 years until her release in 2010, becoming one of the world's most prominent political prisoners. She is also the author of the collection of writings *Freedom from Fear*.

Freedom from Fear Aung San Suu Kyi, 2010 Aung San Suu Kyi's collected writings—edited by her late husband, who the ruling military junta prevented from visiting Burma as he was dying of cancer—reflects her greatest hopes and fears for her fellow Burmese people, and her concern about the need for international cooperation in the continuing fight for Burma's freedom. Bringing together her most powerful speeches, letters and interviews, this remarkable collection gives a voice to Burma's “woman of destiny,” whose fate remained in the hands of her enemies for fifteen years, before her release from house arrest in 2010.

Aung San Suu Kyi Whitney Stewart, 2008 A biography of the Burmese leader who won the Nobel Peace Prize in 1991 while under house arrest.

The Lady and the Generals Peter Popham, 2016 She was a heroine of our time, a winner of the Nobel Peace Prize, a symbol of supreme courage in the face of tyranny. Then, in 2010, Burma's generals opened the door a chink: Aung San Suu Kyi was released from house arrest, and her country began to change. Suu Kyi's acclaimed biographer, Peter Popham, describes what happened next. Travelling across the country, meeting aristocrats, monks and politicians, freedom fighters, punks and rebels, he shows how hope has slowly returned to the lives of ordinary Burmese. He also examines the fate of the hill tribes, and how the world's politicians and businessmen are striving for influence. But with greater openness, long-suppressed prejudices have burst into the open: intolerant Buddhist preachers have whipped up the latent hostility of the Burmese against people of other races and beliefs, especially the Muslim Rohingya. When Aung San Suu Kyi was elected to parliament, she began to negotiate with the military. Yet she has declined to take a firm stand on minority rights - to the dismay of many in the West. *The Lady and the Generals* offers a trenchant and compelling portrait of this fascinating country and asks where Burma and Suu Kyi herself - with her bravery, her brilliance and her limitations - are heading next. Praise for *The Lady and the Peacock*: 'What a gift to our world and what a splendid telling of [Aung San Suu Kyi's life]. We are deeply indebted to Peter Popham for such a superb account' - Archbishop Desmond Tutu 'Sensitive and moving' - Sunday Times 'Beautifully written and compelling in every aspect' - Joanna Lumley 'Warm and objective...will not be bettered for a long time' - Independent on Sunday

Aung San Suu Kyi Quotes Aung San Suu Kyi, 2016-07-04 The Best Aung San Suu Kyi Quotation Book ever Published. Special Edition This book of Aung San Suu Kyi quotes contains only the rarest and most valuable quotations ever recorded about Aung San Suu Kyi, authored by a team of experienced researchers.
