Zimmedariyan Anjani Chaand Mudit Kalia, Three years at college were no less than a roller coaster ride for him. From finding love on the first day of college, to witnessing it being shattered in front of his eyes; from enjoying night-outs to staying up all night for close ones; from being carefree and the life and soul of all parties to growing into a responsible and rational adult, he has seen it all. As his life takes a major 360 degree turn, he realizes that the situations an individual faces in life are nothing but a learning process. You come to terms with the truths of life, start understanding the value of money and hard-work, and at the same time, are able to judge people and relationships within a family to evaluate it better.
