Misrule Heather Walter,2022-05-10 The Dark Grace is dead. Feared and despised for the sinister power in her veins, Alyce has spent 100 years wreaking her revenge on the kingdom that made her an outcast. Once a realm of decadence and beauty, Briar is now wholly Alyce's wicked domain. No one escapes the consequences of her wrath. Not even the one person who holds her heart. Princess Aurora saw through Alyce's thorny facade, earning a love that promised the dawn of a new age. But that love came with a heavy price: Aurora now sleeps under a curse that even Alyce's vast power cannot seem to break, and their dream of the world they would have built together is nothing but ash. Alyce vows to do anything to wake the woman she loves, even if it means descending into the monster Briar believed her to be. But could Aurora ever love the villain Alyce has become? Or is true love only for fairy tales? data-fwclientid=1724a6f1-3d24-40de-895e-5cbbfe817f1f data-preservehtmlbullets=0 data-allowlists=0 data-crlfsubmit=1 autocomplete=off spellcheck=false class=field_input_main field_input_copytext field_input_copytext_body copytextheight-normal field_input_disabled fieldkeycheck-setup copytext-setup contenteditable=false>Did they break the curse, or begin one? Frank Walter Barbara Paca, Frank Walter, 2017 Antiguan artist and writer Frank Walter (1926-2009) was an eccentric character now considered to be vastly under-recognized. Intellectually brilliant, Walter entertained delusions of aristocratic grandeur, namely the belief that the white slave-owners in his family linked him to the noble houses of Europe. The self-styled 7th Prince of the West Indies, Lord of Follies and the Ding-a-Ding Nook produced paintings that dealt with race, class and social identity, as well as abstract explorations of nuclear energy, portraits both real and imagined—including Hitler playing cricket and Prince Charles and Princess Diana as Adam and Eve—and miniature landscapes of Scotland, the country that he fell in love with during a visit in 1960. Walter typically painted in oil on rudimentary materials, with a marked immediacy and naivety. The first man of color to manage an Antiguan sugar plantation, Walter spent the last 25 years of his life in an isolated home in Antigua, surrounded by his writings, paintings and carvings. Coinciding with Antigua and Barbuda's inaugural National Pavilion at Venice Biennale 2017, *The Last Universal Man* is the first comprehensive monograph of this important Caribbean artist. Defying categorization as an outsider or self-taught artist, Walter worked as a writer, composer, sculptor and painter. Barbara Paca, an art historian who also serves as Cultural Envoy to Antigua and

Barbuda, interviewed Walter over a seven-year period prior to his death, and provides insight and perspective into both the artist as a man and his prodigious body of work.

Malice Heather Walter,2021-04-13 A princess isn't supposed to fall for an evil sorceress. But in this "bewitching and fascinating" (Tamora Pierce) retelling of "Sleeping Beauty," true love is more than a simple fairy tale. "Walter's spellbinding debut is for all the queer girls and women who've been told to keep their gifts hidden and for those yearning to defy gravity."—O: The Oprah Magazine Once upon a time, there was a wicked fairy who, in an act of vengeance, cursed a line of princesses to die. A curse that could only be broken by true love's kiss. You've heard this before, haven't you? The handsome prince. The happily ever after. Utter nonsense. Let me tell you, no one in Briar actually cares about what happens to its princesses. Not the way they care about their jewels and elaborate parties and charm-granting elixirs. I thought I didn't care, either. Until I met her. Princess Aurora. The last heir to Briar's throne. Kind. Gracious. The future queen her realm needs. One who isn't bothered that I am Alyce, the Dark Grace, abhorred and feared for the mysterious dark magic that runs in my veins. Humiliated and shamed by the same nobles who pay me to bottle hexes and then brand me a monster. Aurora says I should be proud of my gifts. That she . . . cares for me. Even though a power like mine was responsible for her curse. But with less than a year until that curse will kill her, any future I might see with Aurora is swiftly disintegrating—and she can't stand to kiss yet another insipid prince. I want to help her. If my power began her curse, perhaps it's what can lift it. Perhaps together we could forge a new world. Nonsense again. Because we all know how this story ends, don't we? Aurora is the beautiful princess. And I— I am the villain. Book One of the Malice Duology

Walter Macken Ultan Macken,2009 This new biography sheds light on the private life of one of Ireland's foremost writers, through his many unpublished and privately held papers and letters. Walter Macken was born in Galway in 1915 and died there in 1967. Originally an actor, principally with an Taidhbhearc in Galway and The Abbey Theatre, he played lead roles on Broadway and also acted in films, notably in Brendan Behan's The Quare Fellow. Known for his romanticized portrayal of the Irish and the portrait he painted of the colonial oppression of the people, Macken's writings are outstanding examples of literary efforts to reflect the realities of rural life in Ireland in the last century.

Walter Lippmann Craufurd D. Goodwin,2014-10-20 Unemployment, monetary and fiscal policy, and the merits and drawbacks of free markets were a few of the issues the journalist and public philosopher Walter Lippmann explained to the public during the Depression, when professional economists skilled at translating concepts for a lay audience were not yet on

the scene, as Craufurd Goodwin shows.

SUMMARY OF LIFE OF WALTER CALDWELL ROBINSON Malcolm J. Walker, 2014-08-20 Get some sense in your head, some God in your heart, some money in your pocket, and a ballot in your hand! This was a message by Walter Caldwell Robinson, who became known as the Silver-tongued Orator as he traveled the country, making speeches to black audiences for the National Republican Committee beginning in 1926. Walter C. Robinson was born the son of sharecroppers in Larkinsville, Alabama, in 1893. His family moved to Chattanooga, Tennessee, when he was nine years old. At age 11, Walter worked a part-time job in a foundry each morning before going to school. By age 16, he was operating a laundry business of his own. Walter married his childhood sweetheart and fathered seven children. By age 21, he was a trustee in the Second Missionary Baptist Church. Walter became interested in politics and was elected chairman of the powerful Fourth Ward--the largest black voting precinct in Chattanooga at the time. He eventually organized all the chairmen of black wards and formed the Colored Voters League of Greater Chattanooga. The league became so powerful that it could determine winners in local elections. Walter was chosen alternate delegate to the Republican National Convention each election from 1928 to 1963. Walter C. Robinson and the Colored Voters League supported H. D. Huffacker for commissioner of education in 1927. Huffacker won and gave Robinson a job as a truant officer for the Chattanooga Public School System. His office was located in city hall. Robinson's power and duties extended far beyond keeping black boys and girls in school. The hiring of teachers, janitors, and cooks in the black schools was determined by Robinson. He also recommended the filling of positions in other departments of the city. Robinson worked in this capacity until a candidate that he opposed was elected commissioner of education in 1935. In 1933, Walter began publishing a black weekly newspaper: the Chattanooga Observer. It was the purpose of his newspaper to express his views to benefit the Republican Party, to defeat candidates in local elections felt by Robinson not to be in the best interest of black citizens, and for the purpose of enlightening and unifying the black community. Walter continued to be elected chairman of the Fourth Ward until 1959. He served as chairman of the Colored Voters League until his death. He published the Observer for thirty-five years--from 1933 to 1968. Walter Caldwell Robinson was a successful businessman, an outstanding orator, an astute politician, and a powerful leader. He labored in segregated Chattanooga during a time when the Ku Klux Klan was as revered as religion.

Walter Scott Jane Millgate, 1987-01-01 Between 1814 and 1819 Walter Scott published a remarkable sequence of eight historical and regional novels, beginning with *Waverley* and culminating in *The Bride of Lammermoor* and *A Legend of Montrose*. In the process he made the Author of *Waverley* into the most successful and famous novelist in the world; by

choosing to remain anonymous, however, Scott deliberately separated this new achievement from the fame he had already gained as editor and poet. This study of the first and major phase of Scott's career as a novelist reconsiders his act of secession from his own literary past and examines the interconnections between Scott the antiquarian and editor, Scott the romantic poet, and Scott the novelist.

Walter Hines Page Ross Gregory,2014-07-15 This lucid study assesses Page's career as ambassador to Great Britain from 1913 to 1918. It reconsiders the famous publisher's impact on American diplomacy through an examination of British-American relations in that troubled period. Page, a friend of Woodrow Wilson and an intense Anglophile, devoted his major efforts to bringing the United States into the war on the side of the Allies and to cementing Anglo-American friendship. The book brings to bear information from all pertinent manuscript collections in the United States and introduces new information on British-American relations from recently-opened documents in British Foreign Office Archives. Written in a clear and lively style, the book revises earlier interpretations of the importance of Page's ambassadorial career, placing it in balance perspective.
