

Elizabeth Taylor

J. Randy Taraborrelli

Elizabeth Taylor Ellis Cashmore, 2016-02-25 The first volume to examine the iconic Elizabeth Taylor in this light, *Elizabeth Taylor: A Private Life for Public Consumption* paints Taylor as the seminal representation of “celebrity.” A figure of enormous charisma and cultural sway, she intrigued a global audience with her marriages and extra-marital improprieties, as well as her extravagant jewelry, her never-ending illnesses, her dependency on alcohol, and her perplexing friendship with Michael Jackson. Despite her continued world-renown, however, most people would be hard-pressed to name even three of her films, though she made over seventy. Ellis Cashmore traces our modern, hyperactive celebrity culture back to a single instant in Taylor's life: the publicizing of her scandalous affair with Richard Burton by photographer Marcelo Geppetti in 1962, which announced the arrival of a new generation of predatory photojournalists and, along with them, a strange conflation between the public and private lives of celebrities. Taylor's life and public reception, Cashmore reveals, epitomizes the modern phenomenon of “celebrity.”

Elizabeth Taylor Kitty Kelley, 2011-04-15 “Shimmering in blue sequins and periwinkle eye shadow, Elizabeth Taylor strode onto the stage of the Mark Hellinger Theater to present the 1981 Antoinette Perry Award for Broadway's best musical...As she started to speak, the entire audience suddenly rose to give her a standing ovation. Wildly cheering, the crowd paid homage to the woman whose beauty had for so long enchanted the America. Now ripe and opulent at forty-nine, she no longer looked like the little girl who had ridden to glory in *National Velvet*; but the audience did not care, She could still bestow a touch of magic.”—from the preface This biography of Elizabeth Taylor tells her story as no other can. Drawing on extensive reporting and interviews, Kitty Kelley's classic portrait follows the rise, fall, and rebirth of the woman who was perhaps Hollywood's brightest star. Now with a new Afterword by the author, this is the definitive record of Elizabeth Taylor's fascinating life.

Elizabeth Taylor Susan Smith, 2019-07-25 Elizabeth Taylor was one of the major film stars of the twentieth century, embodying all the glamour and allure of Hollywood stardom. Yet her achievements as an actress have often been overshadowed by her beauty and tumultuous life off-screen. To redress this imbalance, Susan Smith offers an illuminating study of Elizabeth Taylor's work in film, exploring her fascinating trajectory from child to adult star. Smith reveals the influence that Taylor's early work exerted over her later career and the ways in which her on-screen identity is profoundly

rooted in her association with animals and nature. Smith carefully unpicks what made Taylor such a distinctive and dynamic on-screen performer – from the expressive use she made of her eyes to the dramatic significance of her voice – and considers the importance of certain professional collaborations that Taylor forged during her career, most notably her acting partnership with Montgomery Clift.

Elizabeth Taylor, A Passion for Life Joseph Papa, 2011-04-12 A beautiful, illustrated, keepsake volume of quotations by the legendary Elizabeth Taylor. Passion is the ingredient in me that has made me who I am. It's my passion for life...my passion for passion that has made me never give up. -- Elizabeth Taylor From the time she appeared in *National Velvet*, the film that skyrocketed her to international fame at age twelve in 1944, until her death in 2011, Elizabeth Taylor's beauty, allure, and personal strength captivated the world. In a career that spanned more than sixty years, she brought her raw talent and magnetism to bear in now-classic films such as *Father of the Bride*, *Suddenly*, *Last Summer*, *Cat on a Hot Tin Roof*, *Giant*, *Cleopatra*, and *Who's Afraid of Virginia Woolf?*. Off screen, she lived just as passionately. That intensity brought her enormous joy and pain -- and notoriety, whether it was from her vast collections of extraordinary fine jewelry and art to her battles with addiction and ill health, from her internationally recognized humanitarian efforts on behalf of AIDS to her scandalous love affairs and seven highly scrutinized marriages. This anthology -- illustrated with more than 30 gorgeous images of the star throughout her career and personal life -- reveals the candor and honesty with which the actress led her extraordinary life. Here are Elizabeth's first-person reflections on her childhood, career, love and marriages, motherhood, beauty, aging, extravagances, charity, and sense of self. Whether witty or poignant, these words are always demonstrative of her generous, unapologetic, and fiercely determined nature, reflecting the essence of a great star and legendary modern woman.

Elizabeth Taylor A Life in Pictures Alexander Thiltges, Yann-Brice Dherbier, 2008-08-18 Larger than life and sparkling like diamonds, there was only one violet-eyed screen goddess--only one Liz. Elizabeth Taylor was one of the first great actresses to embrace the Hollywood lifestyle. Accomplished in her field and revered for her beauty, Liz's career firmly placed her in the limelight from an early age. Films such as *National Velvet*, *Who's Afraid of Virginia Woolf?*, and *Cat on a Hot Tin Roof* paved the way for her to become the first actress to be paid \$1 million for her infamous appearance with Richard Burton in *Cleopatra*. Elizabeth's off-screen life was as eventful as her on-screen one: the press's fascination with her many marriages created the kind of celebrity obsession we see today. Her involvement with charity work, especially her own AIDS charity, has shown another side to this award-winning actress. *Elizabeth Taylor: A Life in Pictures* documents the life and career of this beauty icon, showing many images of the woman, both in private and in public, which will be a delight to her many fans. A detailed biography accompanies the images.

The Other Elizabeth Taylor Nicola Beauman, 2009 The English author best known for *Not Being Known*.--The Atlantic

Elizabeth Taylor Florence Leclercq,1985

Elizabeth Taylor Susan Kelly,2011-07-27 Packed with beautiful photographs, this stunning tribute to Dame Elizabeth Taylor (1932-2011) celebrates the life, passions, frocks and rocks of one of the most striking and talented beauties of the silver screen.

Elizabeth Taylor Gianni Bozzacchi,2002 Beginning in 1965 as a kid from Rome with a camera, Bozzacchi was hired as the photographer on the set of a film starring Elizabeth Taylor. After the film wrapped, Taylor hired Bozzacchi as her personal photographer. This remarkable collection of 129 of Bozzacchi's photos--some previously unpublished--captures Taylor as a legend, a film actress, a woman, and a friend.

Elizabeth Taylor Cindy De La Hoz,2012-10-02 She was called the most beautiful woman in the world, but Elizabeth Taylor was far more than a pretty face -- she was one of the greatest actresses the movies have ever known. From her first success in *National Velvet* when she was just 12 years old, to her stunning performances in *A Place in the Sun*, *Cat on a Hot Tin Roof*, and *Suddenly*, *Last Summer* to her Oscar-winning role in *Who's Afraid of Virginia Woolf?* and beyond -- Elizabeth Taylor showed herself to be a force to be reckoned with. *Elizabeth Taylor: Her Place in the Sun* is a film retrospective that spans her 70-year career, featuring production histories, behind-the-scenes stories, and reviews for each film. Featuring hundreds of rare photos, it's a dazzling tribute to Elizabeth Taylor, the film star.

Elizabeth Taylor N. H. Reeve,2012-01-17 Elizabeth Taylor (1912-75) is increasingly being recognised as one of the leading English novelists and short story writers of the middle of the twentieth century. Successive generations of readers have delighted in her subtle and penetrating exposures of the vanities and self-delusions of everyday life, her special sensitivity to frustration and disappointment, and the marvellous freshness of her wit and humour. Now, to mark the centenary of her birth, *Elizabeth Taylor: A Centenary Celebration* presents several new critical assessments of her work by leading academics, together with a sizeable number of Taylor's uncollected or unpublished writings: short stories, including the first and the last she completed, essays on writers and writing, and a selection of letters to various correspondents, including Virginia Woolf and Elizabeth Bowen. Opening many previously unexplored perspectives on Taylor's work, this volume will be essential reading for her admirers and for the wider study of the literature of her time.

A Passion for Life Donald Spoto,1995 Born in England to socially ambitious parents, Elizabeth was catapulted into child stardom at an early age. This book explores the highs and lows of her life.

Liz C. David Heymann,2011-04-04 Elizabeth Taylor's own story was more dramatic than any part she ever played on the screen. C. David Heymann brings her magnificently to life in this acclaimed biography--updated with a new chapter covering her final years. She was an icon, one of the most watched, photographed, and gossiped-about personalities of our time. Child star, daughter of a controlling stage mother, Oscar-winning actress, seductress and eight-time wife, mother of four children

and grandmother of ten, champion of funding for AIDS research, purveyor of perfumes and jewelry, close friend of celebrities and tycoons—Elizabeth Taylor, for almost eight decades, played most completely, beautifully, cunningly, flamboyantly, and scandalously her greatest role of all: herself. The basis of an Emmy Award-nominated miniseries, Liz portrays Taylor's life and career in fascinating, revealing detail and includes an additional new chapter, bringing her beloved fans up to date on her final years. By way of more than a thousand interviews with stars, directors, producers, designers, friends, family, business associates, and employees and through extensive research among previously disclosed court, business, medical, and studio documents, bestselling author Heymann reminds readers of her very public escapades and unveils her most private moments. Here are the highs and lows of her film career and the intimate circumstances of her marriages to Nicky Hilton, Michael Wilding, Mike Todd, Eddie Fisher, Richard Burton, Senator John Warner, and Larry Fortensky. Here, too, is the truth about Taylor's father and her friendships with leading men Montgomery Clift, James Dean, and Rock Hudson, as well as with the eccentric Malcolm Forbes and Michael Jackson. From her illnesses, injuries, weight issues, and battles against drug and alcohol, to her sexual exploits, diamond-studded adventures, and tumultuous love affairs, this is the enormously contradictory and glamorous life of Hollywood's last great star.

Elizabeth Taylor's Nibbles and Me Elizabeth Taylor, 2011-05-31 In 1946, Elizabeth Taylor -- then fourteen and a major star at MGM -- published a book about her pet chipmunk, Nibbles. With wit, charm, and remarkable skill, she related the adventures and mishaps of her high-spirited friend. She and Nibbles were virtually inseparable during the shooting of *National Velvet* and other films; in fact the chipmunk almost got to appear in *Courage of Lassie* -- but he was so well behaved that he didn't look real, and his scene was cut! Recounted here are such stories as the happiest birthday of her life, when she was given King Charles, the horse who was called The Pi in *National Velvet*, because only Elizabeth could ride him.

Elizabeth Taylor Boze Hadleigh, 2017-10-20 This book of quotes explores the many sides of the one-and-only Elizabeth Taylor. In her time, she was perceived as a celebrity, an actress, a siren, and a champion for causes. She became a popular and prominent female figure in the twentieth century, and her legacy continues to thrive today. In this book she is described in the words of others, from the stars of yesterday to the celebrities of today. Illustrated with over 80 rare photographs, this book will prove to be a fitting memento of a true film legend.

Blaming Elizabeth Taylor, 2011-07-07 'How deeply I envy any reader coming to her for the first time!' Elizabeth Jane Howard * A finely nuanced exploration of responsibility, snobbery and culture clash from one of the twentieth century's finest novelists. When Amy is suddenly left widowed and alone while on holiday in Istanbul, Martha, an American traveller, comforts her and accompanies her back to England. Upon their return, however, Amy is ungratefully reluctant to maintain their relationship, recognising that, under any other circumstances, the two women would not be friends. But guilt is a hard taskmaster, and Martha has away of getting under one's skin ... * 'Her stories remain with one, indelibly, as though they had

been some turning-point in one's own experience' Elizabeth Bowen 'No writer has described the English middle classes with more gently devastating accuracy' Rebecca Abrams, Spectator 'A Game of Hide and Seek showcases much of what makes Taylor a great novelist: piercing insight, a keen wit and a genuine sense of feeling for her characters' Elizabeth Day, Guardian

Elizabeth J. Randy Taraborrelli, 2011-03-25 Elizabeth Taylor is known internationally as one of the most beautiful and talented women ever to grace the silver screen. She has won two Academy Awards and starred in over sixty films. She is just as well known for her tempestuous personal life, marrying eight times and suffering through innumerable health problems. A cultural icon, she has been written about before . . . but never like this. This moving book traces for the first time Elizabeth's journey through the dark and often lonely world of a fame unparalleled in the 1960s and 1970s, a time during which alcohol and drugs played a major part in her life. It would be with her fifth (and sixth) husband Richard Burton (with whom she made twelve movies, including Cleopatra) that she would learn life lessons about love and loyalty that would inform the rest of her life and, finally, be the catalyst for her recovery from alcoholism in the 1980s. This book also details her philanthropic work as an AIDS activist in the 1990s as well as her stunning success as a business woman today (with a multi-million-dollar fragrance). Based on years of research, this is not just a star's biography . . . it's an unforgettable woman's story.

The Films of Elizabeth Taylor Jerry Vermilye, Mark Ricci, 1976

Elizabeth Taylor Biography: The Legendary Life of Liz Taylor, Furious Love Affairs, Relationships and More Chris Dicker, Elizabeth Taylor has been a well-known British-born American Actress in the early 20th century. She has been fascinated by Shirley Temple and just like her Elizabeth got involved in acting thanks to her parents at a very young age. Elizabeth inherited her zest for life from her mother, and her need to strive for perfection from her father. This would serve her well throughout the professional and personal life. In this biography, we'll explore into some detail all of Elizabeth Taylor's intimate relationships and how that affected her career as well. Elizabeth was quite diverse and very bias when it comes to marriages and personal relationships. She has changed seven husbands throughout her lifetime. What's the reason behind that and more in this biography. You'll also learn about her parents, childhood and what she have done to stand out from the crowd and become a successful Hollywood actress. What challenges Elizabeth Taylor went through and how that shaped her as a person? From her illnesses, weight issues, and battles against drug and alcohol, to her sexual exploits, diamond-studded adventures, and tumultuous love affairs, this is the enormously contradictory and glamorous life of Hollywood's last great star. Grab your copy now!

Furious Love Sam Kashner, Nancy Schoenberger, 2013-02-18 A tough Welshman, he was softened by the affections of a breathtakingly beautiful woman: she was a modern-day Cleopatra madly in love with her own Mark Antony. For quarter of a century, Elizabeth Taylor and Richard Burton were the king and queen of Hollywood. Yet their two marriages to each other

represented much more than outlandish romance. Together, Elizabeth and Richard were a fascinating embodiment of the mores and transgressions of their time and even luminaries like Jacqueline Kennedy looked to them as a barometer of the culture. The enduring glamour, grandeur, drama and bravado embodied in the couple gave rise to the type of rabid gossip and wide-eyed adoration that are the staples of today's media. Using brand-new research and interviews – including unique access to Taylor herself, the Burton family, and Taylor's extensive personal correspondence – this ultimate celebrity biography is the gripping real-life story of a fairy-tale couple whose lives were even grander and more outrageous than the epic films they made.

Elizabethtaylor Book Review: Unveiling the Power of Words

In some sort of driven by information and connectivity, the power of words has be more evident than ever. They have the ability to inspire, provoke, and ignite change. Such could be the essence of the book **Elizabethtaylor**, a literary masterpiece that delves deep into the significance of words and their impact on our lives.
